Ref: **An Appeal** Date: 01 / 05 / 2011
Dear Engineer ,

Saprem Jaibheem

On 26th Sept 2010 at Aurangabad , General body meeting of BANAE State was held and election was conducted as per the rules / procedure stated in the BANAE constitution .

As an elected President & Secretary of BANAE MS State We would like to appeal to all engineer members of BANAE that as regarding the matter of authenticity of NEC which was being entertained at Charity commissioner's office , Mumabi in which change report of NEC (of 2003 Er. Kuldeep Ramteke & Er.Vijay Meshram) was not accepted by the said office and declared the NEC (2003) as invalid and further old NEC adhoc body (1988 Er Kardam , shd I) held as valid .

This valid NEC was on adhoc basis for 1 year i.e upto 1989 . And within that year NEC should have regularized this ADHOC body by conducting G.B. meeting as per memorandum of association but NEC failed to regularize it hence their tenure ended in the year 1989 only , still they are making appeals to the members and forming different committees under them which they should clarify immediately .

Further NEC G.B. must consists representatives from different states falls under four ZONES [east , west , north and south] and authorized by SEC of respective states . As per memorandum of association posts were reserved in NEC zonewise [namely four vice-presidents , one for each zone , four jt. Sec . @ one each ZONE etc.]

It is quite clear that as per BANAE constitution NEC body will be authentic / regularized only when NEC General body meeting is held and

election carried out . To conduct NEC General body , members from all zones (i.e.East , West , South , North and their State councils , branches etc.) are required .

Unforyunately in the last 22 years BANAE NEC whether new or old could not establish/ develop such infrastructure in the nation being a national level organization Instead the dispute was taken to the charity commissionare merely for the quest of posts in the organisation .

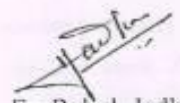

In this this view we strongly feel that following practice must be adopted by the BANAE members to run the organization smoothly and effectively .

1. Every member of the organization must sincerely safeguard the interest of the BANAE instead of any particular individual
2. While mentioning about fellow member of the organization due respect and regards should be observed and maintained.
3. All e-x office bearers and senior members must be invited and involved in the organizational activities
4. finally each member must get rid of 'EGO' and struggle for the good health of the organization .

So we appeal to the Engineer brother to send their sincere feelings / suggestions and step forward to have amicable solution for the association before 30th june 2011 on following address

Dr. BANAE
B-4 , Sagar apartment ,
Shahnoorwadi ,opp Shahnoormiyan darga ,
Aurangabad - 431005.

Er. Arjun Bansode
[President , BANAE , M.S.]

Er. Rahul Jadhav
[Sec. General , BANAE , M.S.]
